

# Summer Camp 2018

---

The Niagara Frontier Industry Education Council is offering a fun learning experience this summer to Middle School students entering grades 5, 6, 7, and 8 at the Niagara Career and Technical Education Center in Sanborn!

---

## "WILDLIFE WEEK"

Come learn about wildlife in your own backyard, build wood products, and do some fishing!

- Day 1:     **Habitats** *(Students will build nest boxes and learn about backyard wildlife habitats.)*
- Day 2:     **Build** *(Students will build rustic furniture (stools) and learn about the uses for wood products in the backyard.)*
- Day 3:     **Go Fish** *(Students will learn about fishing and building their own fishing poles out of willow or dogwood and test them by fishing for live Bass and Bluegill in the classroom.)*

Dates:         **July 24 – 26, 2018**

Time:          **9:00 am to 3:00 pm**

Location:       **Niagara Career & Technical Education Center  
3181 Saunders Settlement Road  
Sanborn, NY 14132**

Cost:            **\$90.00 (Checks made payable to: NFIEC)**

Registration:   For additional information and registration, please visit [www.nfiec.com](http://www.nfiec.com).
